

MEN OF VISION FELLOWSHIP

The purpose of the Men of Vision Fellowship is to promote the Vision of the First Baptist Church by:

- ✓ helping the men of our church to understand the dimensions of the Christian Faith and to enhance their walk with the Lord, that they might become active in Christian service;
- ✓ helping the men of our church to become steadfast husbands, fathers, sons, and brothers, and to promote the establishment and maintenance of Christian homes;
- ✓ helping the men of our church to demonstrate loyalty and devotion to our church family and properties, and to provide protection and support for the women of our congregation;
- ✓ Promoting healthy Christian attitudes within the young men of our congregation and community, and to take part in Christian social action.

The original Men's Fellowship was begun by Rev. Mary Wallace in 1960, under the pastorate of Rev. S.H. Carter. The Men of Vision seeks men who are:
